

ABOUT THE JOB

Job Title: Trained Nurse
Reporting to: Registered Manager
Direct Reports: 0

Job Band: Band 5
Size of Team: 102

The job of the Trained Nurse is to take charge of the shift and to care for the Residents by supervising the staff on duty. You will be required to be flexible and undertake all tasks in order that the individuality and dignity of the Residents is maintained. You will be responsible to Matron and will report anything significant to her.

Key Responsibilities

- Plan and supervise the care of the Residents and coordinate the distribution of tasks to the Auxiliary staff on duty.
- Administration of medication according to treatment sheets and restocking of medication when necessary.
- Apply dressings when required and report the progress.
- Provide advice, supervision and training to Auxiliary staff as required.
- Organise and attend to the personal hygiene needs of Residents.
- Speak to the relatives of Residents (in person or by phone) as required.
- Write reports in Residents' Plan of Care and provide a verbal report at change of shift.
- Liaise with GP and other members of the Multi-Disciplinary Team, and report outcomes.
- Serve lunch in the absence of the Matron and report any problems Residents are experiencing with food.
- Perform any other duties commensurate with these responsibilities, the band of the post and skills and qualifications of the post-holder.

You will

- Be able to work on your own initiative
- Have willingness to learn and adapt new skills

BE PART OF A LIFE SAVING TEAM
